

June 14, 2013

Kevin Torres
Poulsbo, WA 98370

Dear Kevin Torres,

This letter is confirmation that you have satisfactorily passed the non-credit Business Calculus class taken in the spring quarter of 2013. This class is equivalent to 5 credits of undergraduate calculus. You have satisfied the math proficiency requirement for Seattle University Albers School of Business and Economics graduate programs. A copy of this letter will be placed in your student file.

According to the instructor, your grade for this course is equivalent to a 3.7.

Best,

Susan Earley
Non-Credit Programs Coordinator
